On the side since 2014, I designed, managed contract development, launched, marketed, and supported these products and services.

ACT.org, Sr. UX Designer (remote) 2016-present

Designing a personalized web portal and the ACT test registration process used by 3 million students per year. Also helping design the style guide and other web apps.

Kleinfelder, UX Specialist (remote) 2013-2016

Improved the intuitiveness and efficiency of internal web apps in an agile environment via wireframes, user personas, and usability testing. Redesigned a SharePoint-based Intranet, improving info delivery with behavior-driving dashboards.

Univ. of Kansas, UX Designer/Web Manager 2006-2013

Designed and architected the million-page KU.edu web presence, including home page, main pages, mobile-friendly responsive unit templates, and the CASE-Gold-Award-winning admissions site. Also gave usability guidance to campus units.

Cerner, Senior Visual Designer 2004-2006

Designed intuitive efficient task flows and visuals for Cerner's medical web apps in an existing design language. Initiated new global navigation system for the medical chart, which received very positive feedback from doctors (quote at right).

NEXIQ / DSI, Webmaster & UI Designer 1997-2002

Designed corporate web site, SAAS web apps, Windows software, and in-vehicle displays. Developed clients' online business strategies, wrote technical & promotional text, and managed projects and customers.
